

I'd rather vacation at a popular beach than an isolated cabin in the woods.

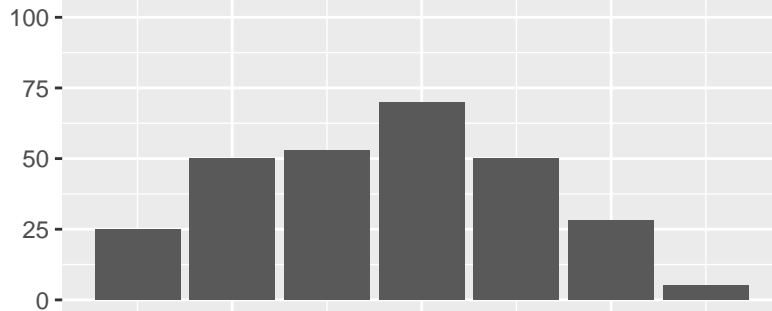

I enjoy parties with lots of people.

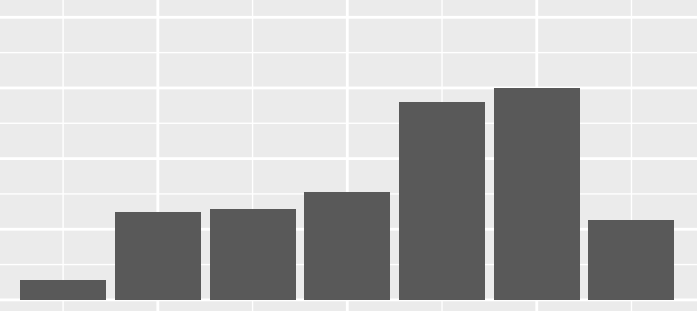

I like to have a lot of people around me.

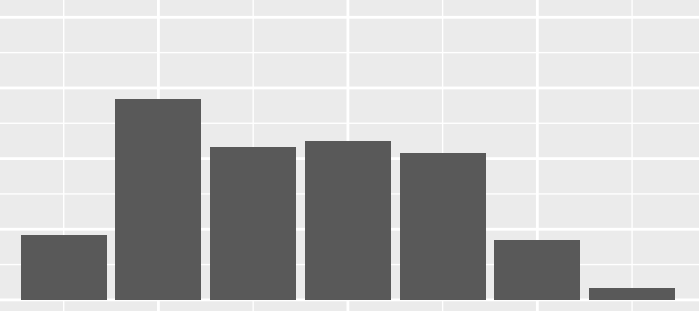

I prefer jobs that let me work alone without being bothered by other people.

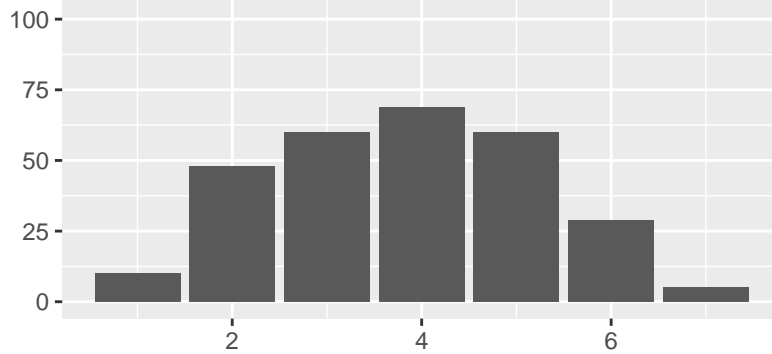

I really feel the need for other people if I am by myself for long.

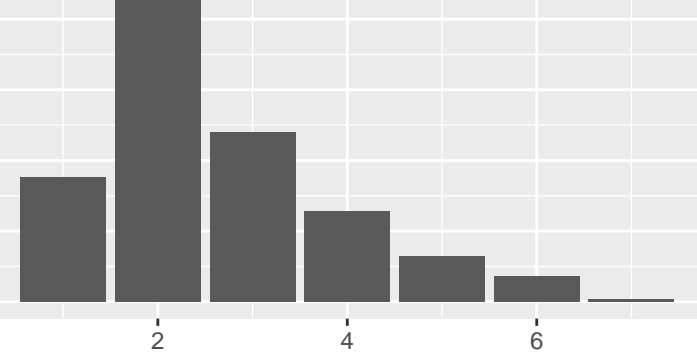

I shy away from crowds of people.

I usually prefer to do things alone.

Social gatherings are usually boring to me.
